

FESTIVAL FEMMES

INVITATION

To the Screening of *An Unfinished Journey*, November 13th 2024

We are thrilled to invite you to a special screening of **An Unfinished Journey**, a moving film that follows the lives of four Afghan women leaders—former parliamentarians, ministers, and journalists—who, forced into exile after the Taliban's return to power in 2021, continue to champion the rights of Afghan women from afar. With their homeland under siege and hard-won progress dismantled, these courageous women bear witness to the deprivation of Afghan women's basic rights, including education, work, and social participation. Despite their distance and the loss of formal influence, they are redefining their fight for a free and just Afghanistan, demonstrating resilience and dedication that inspire and demand our attention.

Join us for this powerful evening as we reflect together on these vital issues and explore pathways for solidarity and action.

We look forward to your presence in this meaningful conversation.

Please RSVP to rsmyth@iamaneh.ch by November 13th to confirm your attendance.
